RECIPROCAL WORLD TRADE CENTERS & OTHER PRIVATE CLUBS

Membership in the WTC offers international trade and business connections, access to the World Trade Centers Association Network, and reciprocal business/hospitality benefits in Louisiana and around the world.

In accordance with our reciprocal agreements, each private club (WTC clubs excluded) requires a letter of introduction or a temporary membership card from WTC New Orleans prior to members' visits. To be assured of the finest services, please contact the WTC Membership Department at (504) 529-1601, ext 315 to request an introduction prior to your departure.

You may contact clubs directly for dining or guestroom reservations and any other pertinent information such as parking, preferred method of payment, or guest usage fees.

Membership cards are not required for visiting reciprocal clubs but can be useful for referencing your membership number.

To order a membership card at no cost, please request a card online at www.wtcno.org in the members area, or call (504) 529-1601, ext. 315 at least two weeks in advance of your departure.

In most cases, your dining charges will be billed back to your WTC New Orleans account unless the reciprocal club requires another form of payment.

Our reciprocal agreements extend charging provelages up to $500. Charges exceeding $500 must be handled directly with the reciprocal club. Please note that the reciprocal club policy may exclude a WTC New Orleans member from using a dining facility in another city if that member lives within 50 miles of that facility.

Please reference the key to the right when searching amenities within the directory:

4. Swimming Pools
5. Golf
6. Yacht Club
7. Squash/Racquetball

THE PARK AVENUE CLUB
FLORHAM PARK, NEW JERSEY

Once a large dairy barn owned by the Sisters of Charity, a local order of nuns from nearby St. Elizabeth's College, the Park Avenue Club structure dates back to 1894. It was miraculously transformed back to its original beautiful brick and slate structure one hundred years later, in 1994, when it was opened as a private dining club. This restoration project was made possible through charitable efforts and volunteers from local businesses and charities.
